SIGN SPORT
Running Collection

Fly R Shirt

It is ultra-lightweight and has flatlock seams so there is no friction when training or racing.

Two types of high quality Italian fabric are used to provide extreme breathability, flexibility and quick drying qualities.

This shirt has a great looking round neck.

Fly R Shirt PLUS

Reversed zipper on the front help you to get extra ventilation when pushing hard in trainings or races during warm days.

Keeping the trend for great comfort a hemless collar is added.

Two types of high quality Italian fabric are used to provide extreme breathability, flexibility and quick drying qualities.

This shirt is ultra-lightweight and has flatlock seams.

Run Jacket

High performance
100 grams windproof
hooded jacket that
will serve you well in
windy or cooler days.

Reflective panels for safety, thumb-holes
into the sleeves and a comfort hood will
make you enjoy the jacket even more in the
chilly mornings or late evenings.

The Run Jacket is made of super
light-weight Italian ripstop fabrics and a
very flexible and breathable material on
the sides of it for this extra comfort while
moving fast.

A must in the mountain
and a useful garment in
the park this Run Jacket
packs into a pocket
thanks to the YKK double
zipper.

R Tights

UPF 50+ UV protection factor

The silicone ending bands ensure the tight stays exactly where you've put it during exercise.

R Tight This tight is made of Recycled Polyamid (Xtra Lite) – 4 way stretch fabric which is very durable and extremely comfort. You will never feel it irritating as it has flatlock seams.

Two elastic pockets growing up to 300% would fit energy bars or gels, your mobile or light jacket.

Tights Long Plus

UPF 50+ UV protection factor

This long tight is made of Recycled Polyamid – 4 way stretch fabric which is very durable and comfort. You will never feel it irritating as it has flatlock seams.

Two elastic pockets growing up to 300% would fit energy bars or gels, your mobile or light jacket.

Run Shorts

Run Shorts Designed to make you feel free
these shorts are light and comfy.

Four side pockets let you stow gels, energy or light
jacket.

The running collection is entirely made by Italian fabrics. Italian textiles and fabrics are famous all over the world for their high quality obtained through innovative machinery and techniques.

In order to provide absolute quality, Sign sport products are manufactured exclusively in Europe

The innovative fibers we use are certified by OEKO-TEX, a globally recognized inspection organization. This certification means that the fibers contain no chemicals which are harmful to the skin or body.

All Sign sport products are covered under a 2-year exchange guarantee.
